Thank you for visiting my website. Stop by and visit often.

I'll leave the light on for you ;-)

I believe we all need a bit of love, light and encouragement in our daily lives and it would be my hope the art and functionality of this free download will give you great joy.

Whether you use it to keep your inspiration list, daily/monthly list, your dreams, even your grocery list.

Having and Attitude of Gratitude can do Wonders for YOU!

I've made this download as easy as possible to use.

Just print it out on 8.5 x 11 (cardstock works great), trim around the lines, fold in half and you are ready to go. The design is double-sided, so use the doubleside feature on your printer. Or print, flip and print.

The final design is sized at 5 x 8 and can be tucked into most notebooks, journals, planners, etc.

The design and images are copyright to Indigojade Art and they are my work.

The design is for personal use only. Don't try to share and sell this as your own. That's not the intention of the gift.

Please encourage your friends to visit the site at <http://bit.ly/freeplannerpage> to download a personal copy of their own.

Enjoy my art? Please, feel free to visit my art print shop for more:
